2. Who is Pavion?

Pavion Connects and Protects by providing fire, security, and critical communications solutions to customers around the world from 55+ locations in the U.S. and 22 countries. We bring industry-leading experience to customers in the enterprise, healthcare, education, government, data center, and retail industries. Our mission is to bring clarity and transformation to safety, security, and critical communications through technology innovation and radical service. We're committed to serving our customers, our people, and our communities.

Pavion is a mashup of two words. Pavise + Ion = Pavion

Pavise – a full body shield used to protect warriors as they progress forward in battle

Ion – a charged article that attracts and forms bonds

3. **What happens to the names CTS, CTSI, and SEI?**

Collaborative Technology Solutions, LLC. (CTS), Corbett Technology Solutions, Inc. (CTSI), and Systems Electronics Inc. (SEI) are retiring effective August 1, 2023. **All existing contracts and agreements remain in full force and effect with Pavion Corp. effective immediately.**

Note: All other Pavion legacy brand companies remain unchanged at this time.

4. **What are the next steps and where can I find the documentation I need?**

The process is simple.

- All existing contracts and agreements remain in full force and effect with Pavion Corp. effective immediately.
- You will now receive invoices branded from Pavion Corp. so you may wish to flag this change to your finance department, so they recognize the brand as an existing supplier.
- You will need to update your Accounts Payable systems with our new banking information. Please refer to our invoice remittance information, statements, W9, and banking letter (available upon request) for payment updates.
- You may require a Pavion Corp. W-9 and Name Change Amendment for your internal records. We have provided links to specific documents below for your convenience.

5. Is this part of a takeover or change in management?

No, we're the same people we've always been. There's been no major change to management or ownership. We still have the same values and will still be extremely focused on our relationships with people, product quality and customer care. We just believe that our new name is more representative of our vision for the future and this is the next step in our journey.

6. Does this change affect our contracts or agreements?

All existing contracts and agreements remain in full force and effect with Pavion Corp. effective immediately.

7. Will I now be invoiced from Pavion?

You will now receive Pavion Inc. branded invoices. You may wish to flag this change to your finance department, so they recognize the brand as an existing supplier. Please refer to our remittance information, statements, W9, and banking letter (available upon request) for payment updates.

8. Will your contact details change?

We will be moving to pavion.com email addresses so please look out for emails from Pavion (it's us)! But don't worry if you send an email to a CTS email address by mistake – it will still get to the right person. If you're in any doubt about the best way to contact us, please visit our website Pavion.com.

9. Do I need to do anything?

This name change may not require anything from you other than a change in your Accounts Payable system to ensure alignment with our new banking information. We know it will take some time to get used to calling us by our new name, so all we'd ask is to keep an eye out for us under our new name in emails and at events. Procurement and AP will want to update our information in your systems to align our relationship and eliminate possible confusion over the name change.

10. Vendor Setup / Payables?

While existing contracts and POs will be honored, you will want to update our vendor profile for procurement and payables related items. Please refer to our W9, Articles of Incorporation, Letter of Clarification, and Banking Letter (available upon request) to update our vendor

profile. Please note, Pavion will never ask you to update banking information or remittance details via individual email or phone.

11. **W9 Clarification**

When setting up a vendor profile for Pavion, please refer to line 2 of the W9. Line 2, Business name/disregarded entity name, if different from above (referring to Line 1 of the W9). The Tax Identification Number (TIN) or Employer Identification Number (EIN) is how Pavion reports revenue for tax purposes to the IRS.
