Empowering Communication, Safety, and Efficiency

Hospital and Campus-Wide Multi-Zoned Public Address Systems

Seamless Communication for Every Space

Whether you need to broadcast emergency notifications, make routine announcements, or deliver music programs, Pavion's Multi-Zoned Public Address Systems are designed to meet your unique needs. From hospitals to campuses, our solutions ensure clear, reliable, and customizable communication across any size property.

Our Public Address Systems: *Built for You*

Pavion's experts work closely with you to design and install a PA system tailored to your facility. We integrate seamlessly with your existing infrastructure, including fire alarm and security systems, to deliver a unified communication experience.

Key Features

Live or Recorded Messages:
Broadcast announcements, alerts, or music programs with ease.

Emergency Notifications:
Deliver critical alerts during emergencies to ensure safety and compliance.

Integration Capabilities:
Connect with existing sound systems, fire alarms, and security systems.

Networked Solutions:
Support multiple buildings or zones with IP or wired networks.

Customizable Design:
Scalable systems to fit any size property or facility.

Top-Tier Equipment:
We use leading manufacturers' equipment, ensuring flexibility and reliability.

Benefits

◊ *Enhanced safety with real-time emergency alerts.*

◊ *Improved communication across large campuses or facilities.*

◊ *Simplified management with integrated systems.*

◊ *Customizable solutions for unique needs.*

Audio/Visual Intercom Systems:
Secure and Connected

Pavion's Audio/Visual Intercom Systems provide confidence and control over your property's entry points. Whether for a home, business, or healthcare facility, our systems ensure you always know who is at your door.

Key Features:

Wireless, Portable Receivers:
Monitor entry points from anywhere in your facility with viewscreen-enabled devices.
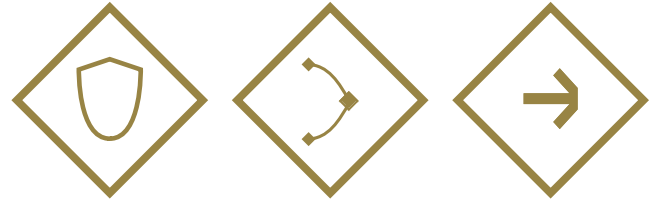

Flexible Placement:
Mount on walls, place on desks, or keep bedside for convenience.

High-Quality Equipment:
Utilize leading manufacturers' technology for reliable performance.

Customizable Solutions:
Tailored to meet the specific needs of your property.

Benefits

◊ *Enhanced security and awareness.*

◊ *Seamless integration with existing systems.*

◊ *Reliable, high-quality performance.*

Why Pavion?

Transform Your Communication Systems with Pavion

From hospital-wide public address systems to campus-wide communication networks, Pavion delivers solutions that enhance safety, efficiency, and connectivity. Let us design a system that meets your needs and exceeds your expectations.

System Independence with Unmatched Support:
We provide equipment from leading manufacturers, not proprietary systems, giving you the freedom to choose the right solution and service partner.

Exceptional Service:
Our knowledgeable professionals design and install systems tailored to your unique needs, ensuring a seamless experience.

Proven Expertise:
With decades of experience, Pavion has built lasting relationships with clients who trust us for their communication and security needs.

Long-Term Commitment:
We're not just a vendor—we're a partner you can rely on for years to come.
