Comprehensive Turnstile and Bollard Security Solutions

Enhanced Security with Turnstiles and Bollards

In today's dynamic security landscape, controlling both pedestrian and vehicular access is paramount. Pavion offers integrated Turnstile and Bollard solutions designed to enhance the safety and security of your premises. Our systems provide robust physical barriers, effectively managing entry points and deterring unauthorized access.

Turnstiles and Bollards

- **Reduced Security Costs:** Automating access control minimizes the need for extensive on-site security personnel.
- **Enhanced Safety & Compliance:** Mitigate risks associated with unauthorized entry and ensure adherence to industry regulations.
- **Operational Efficiency:** Streamline entry processes, reducing congestion and improving traffic flow.
- **Asset Protection:** Prevent unauthorized access to restricted areas, reducing the risk of theft or vandalism.
- **Improved Customer & Employee Experience:** Fast and efficient access control enhances convenience while maintaining high security.
- **Scalability & Future-Proofing:** Easily expandable solutions that adapt to evolving security needs, ensuring long-term value.

Key Features of Turnstiles and Bollards Security Solutions

Turnstile Systems:

- **Full-Height Turnstiles:** Ideal for high-security areas, these turnstiles provide maximum perimeter protection by preventing unauthorized entry attempts.
- **Optical Turnstiles:** Sleek and efficient, these turnstiles use advanced sensors to allow swift passage while detecting unauthorized access, suitable for corporate lobbies and public transportation hubs.
- **Tripod Turnstiles:** Cost-effective solutions for moderate security needs, managing pedestrian flow with three rotating arms.

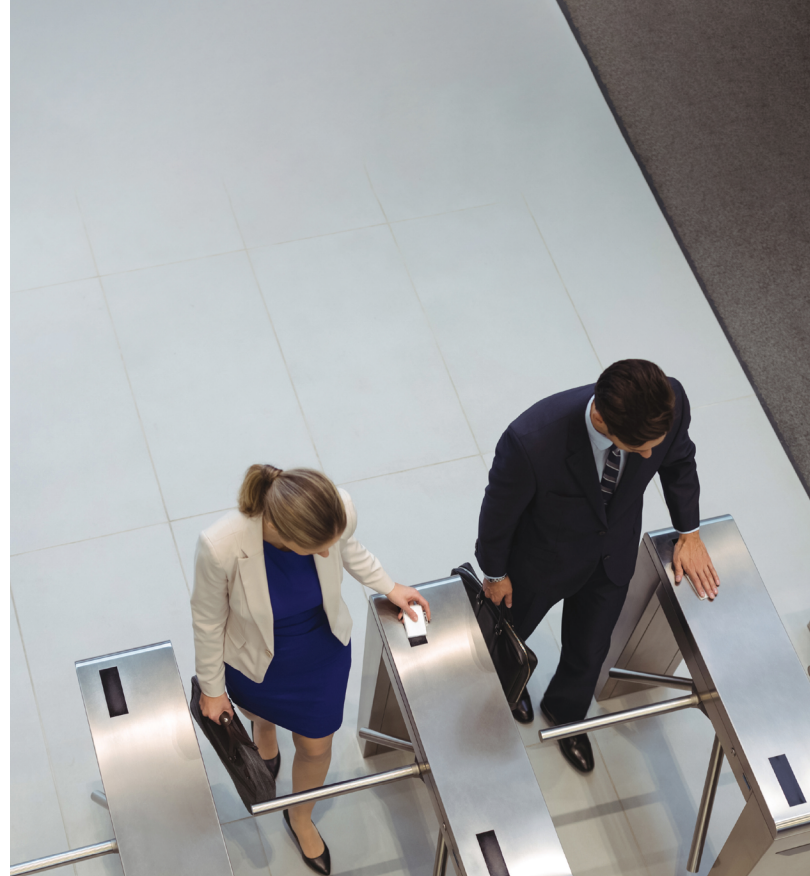

Bollard Systems:

- **Fixed Bollards:** Permanent installations that provide a strong physical barrier, protecting buildings and pedestrians from vehicular threats.
- **Retractable Bollards:** Flexible solutions that can be lowered or raised as needed, balancing security with accessibility.
- **High-Security Bollards:** Engineered to withstand significant impact, these bollards are essential for critical infrastructure protection.

Industries We Serve

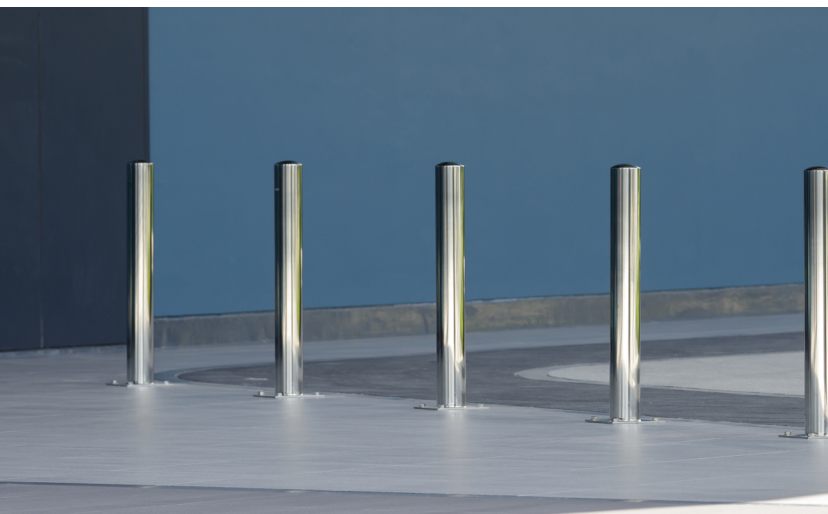

Pavion's Turnstile and Bollard solutions are tailored to meet the unique security requirements of various industries:

- **Healthcare & Pharmaceutical:** Protecting sensitive areas and ensuring only authorized personnel have access.
- **Government & Defense:** Securing critical infrastructure and sensitive information through controlled access.
- **Distribution & Storage:** Managing entry to warehouses and storage facilities to prevent unauthorized access.
- **Destination Retail:** Enhancing shopper safety by controlling entry points and protecting against vehicular threats.

Why Choose Pavion's Turnstile and Bollard Solutions?

- **Enhanced Security:** Our solutions provide robust barriers against unauthorized access, ensuring the safety of your assets and personnel.
- **Customizable Options:** With a variety of designs and functionalities, our systems can be tailored to meet your specific security needs.
- **Seamless Integration:** Pavion's systems are designed to integrate smoothly with your existing security infrastructure, providing a cohesive defense strategy.
- **Aesthetic Appeal:** Our bollards and turnstiles are not only functional but also designed to complement the architectural aesthetics of your facility.
